

REMARKS

Claims 1-21 are pending in the application. Claims 1-21 stand rejected. Claims 6 and 13-21 stand objected to because of informalities. Claim 6 and 13-21 have been amended.

Claims 1-21 stand rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-21 of U.S. Patent No. 6,634,814. The rejection is a provisional obviousness type double patenting rejection. A timely filed Terminal Disclaimer in compliance with 37 CFR 1.321(c) is filed herewith to overcome this rejection.

Applicant respectfully requests reconsideration in view of the foregoing amendments and the remarks hereinbelow.

It is respectfully submitted, therefore, that in view of the above amendments and remarks, that this application is now in condition for allowance, prompt notice of which is earnestly solicited.

Respectfully submitted,

Attorney for Applicant(s)
